To Whom It May Concern**Re: Mr Frank Scolaro – Allmore Constructions Pty Ltd**

This to advise that Burbank Australia Pty Ltd has been associated with Frank Scolaro of Allmore Constructions Pty Ltd over 2 years now. During this period I can confirm that Frank and the staff at Allmore have displayed nothing but the highest levels of honesty, professionalism, and ethical integrity.

In our association with Frank, he has held the position of Director at Allmore and was the Project Manager for the Stage 1 of Denton Mills Apartments development. Accordingly his organisational and administrative abilities are exceptional and his detailed knowledge of building construction is exceptional. Since the completion of the Denton Mills project the relationship with Frank and Allmore has continued through the projects defects liability period and beyond in the provision of valuable build ability assessments and costing on other projects.

Frank and the staff at Allmore are a confident and skilled group of building professionals and it is without hesitation and with the greatest pleasure that I supply this reference.

Yours faithfully

Sam Failla
